Ancient Mothers ...

To the hidden wisdom
That we carry inside
To the living creatures
That teach us your guide
To the force of love
That keeps us alive
Reconnect to this power
We must heal from the lies

Ancient Mothers...

I am calling you my Mothers
Come fill this space
Into the source of truth
Help us pass through the waves
We are here to work
We are here to pray
For the times of unity
That will come once again
